2022 MEDALLION AWARDS

**YOU'VE DONE GREAT WORK. YOU'VE PUT IN EXTRA HOURS.
YOU DESERVE TO BE CELEBRATED FOR YOUR ACCOMPLISHMENTS.**

In a time when creativity has been stretched to the limits, it's important to take the time to reflect on your relentless pursuit of excellence. Show everyone the inspirational work you and your team have produced during one of the most challenging years in recent memory.

SPONSORED BY the National Council for Marketing & Public Relations (NCMPR), the Medallion Awards recognize outstanding achievement in design and communication at community and technical colleges in each of seven districts. It's the only regional competition of its kind that honors excellence exclusively among marketing and public relations professionals at two-year colleges.

RECOGNIZED AS the leading professional development organization for two-year college communicators, NCMPR provides regional and national conferences, webinars, a leadership institute, relevant information on emerging marketing and PR trends, and connections to a network of more than 1,700 colleagues across the country. NCMPR is an affiliate council of the American Association of Community Colleges.

JUDGING — The district Medallion Awards will be judged by a combination of NCMPR peers and industry experts (those in marketing, public relations and communication outside of community colleges) in each of NCMPR's seven districts. (NOTE: NCMPR's national Paragon Awards are judged by outside industry experts.)

WHAT'S NEW IN '22?

NEW AND UPDATED CATEGORIES. Look for the newly added "Print-Wildcard" category in this year's list. You may also notice that the Medallion and Paragon entries will align much more closely going forward — something our members have requested!

MAIL-IN IS (PARTIALLY) BACK. Most entry categories remain as online-submission-only categories, but six have changed and require entries to be mailed to your corresponding Medallion coordinator (see p. 8). Review each description closely.

WHO CAN ENTER

The creative effort/concept must have originated from a community or technical college or district or state governing organization for two-year colleges. Entries may not be submitted through an ad agency; make submissions through a college, district or state governing association only.

WHAT TO ENTER

Entries must have been published, broadcast, displayed and used between July 1, 2021 and June 30, 2022.

Entries must be new designs or publications in the entry year; those that represent previously submitted work with minor modifications will be disqualified.

Entries must be original, creative work **WITHOUT THE USE OF TEMPLATES** customized for individual college use.

A contestant may submit as many entries in each category as desired. **THE SAME ENTRY** may not be submitted in two separate categories except as noted.

IMPORTANT!

NCMPR carefully screens each entry and reserves the right to make adjustments to placement in categories as determined to be in the best interest of those submitting entries and per the contest rules. Please be sure your entries meet all category requirements. Entries that don't meet requirements may be disqualified. Sorry, fees will not be refunded.
